

Nashwaak Valley School Renovations & Addition

Nashwaak, New Brunswick

Goguen and Company Ltd.

architecture and planning

The expansion and renovation to the Nashwaak Valley School was designed to address the needs of the communities of Taymouth and Nashwaak Valley. A large addition was designed which included 3 Classrooms, combined Music and Art room, Resource centre and a Multipurpose / Cafetorium with a Kitchen and Stage. The renovation of the existing school added a Reception / General Office, Principal's Office, Storage and Communication rooms, Guidance / Student Services, Health Nurse office and Methods and Resources facilities.
